

INVEST LESS PROGRAM

REPAIR VS REPLACE

Guaranteed lowest total cost per valve spend

- One quote which includes 3 options:
 - Repair Cost
 - In-stock Replacement
 - Factory Order
- Savings of 30% and greater on valves larger than 6" 300 (over \$500 valve)
- Test reports and valve status are tracked on TVS's new web app - Total Valve Live
- Key stock at all times on your valve assets
- All valves are tested according to API & ASME specifications
- Returnables on-site with a free pick-up & email/toll free number
- Yearly valve spending will drop by 30%, plus savings due to the lack of constant freight, expediting costs, and distribution margins
- Can be used as a credit on new purchases when listed on the website
